“Scary AF”

“They call us monster, creep, and freak, we hear it from the people walking down the street”

-Altar De Fey

Echos in the Corridor: Demons

Designed to be stabbed into 14 ct. Aida so it can be perfectly trapped in a 4" hoop

Stitch it up on Black Aida with Crimson floss for that Vampy Trad Goth Vibe, or on Oatmeal Aida with a deep forest green for the CottageGore Goth aesthetic! Can't go wrong with a Vampy Red Aida and black as your soul floss, how hot would that look? Fire! (you know how much Grandma loves fire)
